## COMPERS FOR ANOTHER TERM

He is Chosen President by Labor Federation.

Will Meet Next in Boston

Lively Contest Between the Hub and Other Cities in the Race.

Government by Luncheon.

(By Associated Press.)

NEW ORLEANS, La., November 22.—The American Federation of Labor today re-elected the following officers: President, Samuel Gompers; First Vice-President, James O'Hanlon; Second Vice-President, John Mitchell; Third Vice-President, James O'Connell; Fourth Vice-President, Max Morris; Fifth Vice-President, Thomas I. Kidd; Sixth Vice-President, Dennis A. Hayes; Treasurer, John L. Lennon; Secretary, Frank Morrison. Financial delegates to next labor convention of Great Britain, M. S. Hayes and Martin Lawler. Fraternal delegate to Canada, John Coleman.

Place of next convention, Boston. The above officers were elected by the Federation of Labor today. Without exception they are holdovers from last year, the fraternal delegates, however, not being classed as officers. There were but two contests for positions. Frank Duffy, of the carpenters, ran for fifth vice-president against Thomas I. Kidd, of the woodworkers, and was beaten nearly out of sight. John Coleman was elected a delegate to the distinction of fraternal delegate to Canada by Mack Taylor, but won on the second ballot.

The cities presented for the next convention were Boston, Philadelphia, San Francisco, Milwaukee, Lawrence, Lowell, Mass.; Austin and Galveston, Texas; Cripple Creek, Colorado; and Asheville, N. C. All but the first four were afterwards withdrawn, the first ballot resulting as follows: Boston, 5,312; Philadelphia, 1,188; San Francisco, 2,359; Milwaukee, 590.

The committee on the Executive Council's report declared against "government by luncheon," but contained the following sentence: "We recognize the authority of the courts to issue injunctions to prevent the destruction of property and violations of law."

This created a divided stir in the convention. Delegates declared that the committee had declared in favor of the very thing against which in the earlier portion of its report, it had protested.

The debate closed by the committee announcing that it would withdraw its objectionable sentence from its report.

The convention was in almost continuous session for nine A. M. until a late hour at night, and many matters of routine were disposed of.

Telegrams Inquiring to Chapin & Hume's Advertisement in Sunday Times.

That the Sunday Times has a large circulation and one that reaches far and wide with influential business men is evident by the many foreign inquiries received daily by those advertising in its columns.

In reply to the following ad which appeared in last Sunday Times:

**TRUSTEE'S SALE**  
OF A VERY VALUABLE AND EXCEEDINGLY ATTRACTIVE SUBURBAN ESTATE PROPERTY, WITH LARGE AND CONVENIENT RESIDENCE, APPLE ORCHARD, BARN, ETC., AND CLOSE TO TROLLEY LINE.

In execution of a deed of trust, dated April 1st, 1902, and recorded in Henrico County Court in D. B. 134 "B," page 118, the undersigned, Trustee, will sell by public auction, on

**FRIDAY, NOVEMBER 24th, 1902,**  
at 4 o'clock P. M., that exceedingly attractive property, known as the "Pine House," situated on Dill's Lane, and running back southwesterly to the Chesapeake and Ohio Railway, and adjoining on its north and west the attractive subdivisions known as Highland Park and Chestnut Hill.

The improvements consist of a most commodious and well-furnished dwelling house, containing about twelve rooms; a manager's house with four rooms and ample and convenient outbuildings, cowshed, and other necessary farm buildings. The tract occupies about 20 acres, and is situated on a high plateau of fertile land in a high state of cultivation, while the rest of the land slopes down to the Chesapeake Bay, and by reason of abundant shade and a never-failing stream of pure water is valuable as a pasture land.

The neighborhood is good, there being many refined and cultivated people living nearby. Among the many attractions not mentioned, attention is especially called to the large spring of pure water, which is situated on the property, and which is supplied by hydraulic rams for use of bath closets, etc., in the house, as well as for the barn and other purposes. The property will be sold either as a whole or in sub-divisions, as may seem best at the time of sale, and the price of the property will be seen at the office of the auctioneer.

**TERMS**—One-fourth cash, and the residue in three equal installments at one, two and three years for negotiable notes with interest added, and secured by a deed of trust on the property, all cash, at the option of the purchaser.

**VIRGINIA TRUST COMPANY,** Trustee.
